Need for the Temporary Rule(s):

OAD 812-021-0016 is amended to modify the rule to reduce the cost of agency provided Residential Continuing Education (RCE) from \$33-\$35 to \$15 per hour. This will bring the cost of CCB provided RCE in accordance with the 2011-13 policy option package (PO) 915-102, which was recently voted out of the General Government Subcommittee. The agency will begin offering the courses to contractors on April 25, 2011 and needs to amend the rule that set the amount the agency will charge.

Documents Relied Upon, and where they are available: ORS 701 and OAD 812. Documents are on the agency website at [www.oregon.gov/ccb](http://www.oregon.gov/ccb) or a paper copy is available upon request.

Justification of Temporary Rule(s):

The CCB finds that following the permanent rulemaking process, instead of taking this temporary rulemaking action, would result in serious prejudice to the public interest. OAD 812-021-0016 is amended to modify the rule to reduce the cost of agency provided Residential Continuing Education (RCE) from \$33-\$35 to \$15 per hour. The agency will begin offering the courses to contractors on April 25, 2011 and needs to amend the rule that set the amount the agency will charge for the courses. In order to not charge an excessive fee, which is detrimental to contractors, CCB finds there is an emergency and will reduce the fee immediately.
